EXPERIENCE

Intern at CodeTech IT Solutions   **May 2023 – Jun 2023**
Role – Web Developer

- Contributed to the development and enhancement of web applications during project-based internships.
- Gained hands-on experience in building and maintaining websites using the latest web technologies and development practices.

Intern at EiSystems   **May 2024 – Jun 2024**
Role – Python Developer

- Worked on diverse projects implementing multiple coding methodologies.
- Completed Python-driven projects, enhancing programming skills and gaining practical insight into real-world development workflows.

PROJECTS

Portfolio

- Developed an interactive and animated personal portfolio using the MERN stack to showcase my skills, projects and more about me.
- The portfolio offers a visually engaging experience, combining smooth animations, transitions, and responsive design.

Shopping Website

- The website features a clean, modern user interface (UI) with key functionalities such as product filtering, a shopping cart, and a streamlined checkout process.
- Designed and developed a responsive e-commerce website using HTML, CSS, and JavaScript.

POSITION OF RESPONSIBILITY

Shiksha - Volunteer Educator

- Organized free classes and events to support students in enhancing academic skills and personal development.
- Focused on cultivating leadership, communication, and teamwork through hands-on learning initiatives.

NSS (National Service Scheme) - Volunteer

- Led and participated in various social welfare activities promoting cleanliness, gender equality, and social justice.
- Engaged with communities through awareness campaigns to foster a more inclusive and sustainable society.
